

As I Look Back: Musings of a Birdhunter

In his latest book, Braden shares his recollections of bird hunting around the world. Join him and his guests at their yearly hunt in Mexico; follow along with Braden and his partner Cyril Adams as they shoot birds from the backs of elephants in India; go with Braden to a remote island hunting for exotic and unusual birds; and come back home with Braden as he stakes out the banks of his home-state river for duck.
