

The Book Of Jasher

How is the Book of Jasher important to us, today? It sheds marvelous light on the Biblical story, from the time of Adam and Eve, the time of Enoch, and the account of Noah's Deluge, to the Tower of Babel, the tyrant Nimrod, and the story of Abraham and his descendants. Needless to say, I cannot discuss the details of this remarkable historical record, which completely authenticates and corroborates Scriptural history, filling in many missing details deleted in the Scriptural record, in this article. I highly recommend the book for any who desire to perfect their knowledge of the ancient times, from Adam to the Exodus. The book of Jasher provides a fascinating glimpse into the life of Enoch, who was a righteous ruler over men, continually instructing them in truth and uprightness, and a knowledge of the Most High God. It also tells us that in the days of Peleg, not only were the nations at Babel divided and scattered, but the earth itself was also divided. From this book we also learn that Noah and Abraham were contemporaries. Perhaps the most important key found in the Book of Jasher is that it corrects the erroneous chronological date for the birth of Abraham assumed by many Christian commentators, in particular Archbishop James Ussher. Says the Translator of the book of Jasher:
