In *The Berghoff Family Cookbook*, the fourth generation of Chicagos Berghoff clan presents traditional favorites from the citys famed Berghoff Restaurant alongside contemporary culinary creations. The history of Chicagos Berghoff Restaurant spanned three generations and 107 years. It was one of Americas oldest family-owned restaurants. To commemorate such a rich culinary history, Carlyn Berghoff and her mother, Jan Berghoff, collected 150 of the restaurants most popular recipes, including classics such as Creamed Spinach, Berghoff Rye Bread, and Wiener Schnitzel. They paired them up with more contemporary offerings such as the Shrimp Martini, Grilled Vegetables with Red Pepper Aoli, and Brie and Raspberry Grilled Cheese Sandwiches to create *The Berghoff Family Cookbook: From Our Table to Yours, Celebrating a Century of Entertaining*.<sup>\*</sup> Recipes are presented alongside tempting four-color photographs and informative sidebars that offer tips on dressing salads, serving soups, pairing culinary flavors, and more.<sup>\*</sup> The books introductory narrative tells the Berghoff familys story and introduces the next generation of the Berghoff legacy. Fourth-generation entrepreneur Carlyn Berghoff operates her own catering company, Artistic Events, out of the famous Chicago building at 17 West Adams. She has also opened 17/West at the Berghoff, more casual fare is still offered at the downstairs Cafe, and the Berghoff Cafe still operates out of locations at OHare International and Midway airports.
