

## Cafe Max and Rosies: Vegetarian Cooking With Health and Spirit

When Max and Rosie first opened their cafe, it had four booths, a counter with no stools, and a makeshift kitchen. They stuck to their then-novel notion that the natural, vegetarian food they served nourished a healthy and soulful life, and it was only a matter of time before Max and Rosies Cafe and Juice Bar became one of the hottest spots in Asheville, North Carolina. CAFE MAX AND ROSIES serves up a tantalizing recipe collection featuring scrumptious overstuffed sandwiches, tasty international dishes, and an imaginative selection of fruit smoothies, freshly squeezed juices, and healing tonics that have locals and out-of-towners alike lining up at the door. Beautifully accented by Max's illustrations, CAFE MAX AND ROSIES is destined to become a treasured kitchen companion.
