

Feng Shui: So easy a child can do it

Can you imagine a life where things go right ninety percent of the time, with less stress, more productivity and greater prosperity? All you need to begin is desire, determination and an easy-to-follow plan. Based on fifteen years of walking her talk as a Feng Shui expert, Pat Heydlauff takes you to the very heart of the principles of what Feng Shui is...and isn't. With her guidance, you will learn easy-to-apply methods for achieving balance and decreasing stress in your life. This book offers real solutions that can be put to use immediately, even on a limited budget. Included are simple plans to help you make way for positive energy, success and prosperity by clearing clutter chaos and negative energy. You can take control of your life, reduce stress and create a peaceful refuge at home and a more productive workplace. Whatever your goal, the result will be a more calm, prosperous and peace-filled you.
