

Deer Hunting 101: The Beginners Guide to Deer Hunting

From choosing a weapon to placing the meat on your plate, this book covers every basic element of deer hunting that you should need to be successful in your endeavors. The author has chosen select portions of his hunting regime to share with the reader so they too will have the tools necessary to partake in the fruits of their labor. This book contains enough essential information to become a permanent fixture in the back pockets of every hunter regardless of their skill level, and as indicated by the men who have endorsed it as just that - should be. (Book endorsed by David Hale of Knight and Hale Game Calls and Jim Shockey of Jim Shockey's Hunting Adventures)
