

Moose on the Loose: True Tales to Make you Laugh, Chortle, Snicker and Feel Inspired

Travel brings with it many extraordinary moments from the whimsical to the hilarious to the downright absurd. By following in the footsteps of previous bestselling humour titles such as Mugged by a Moose and A Beaver is Eating My Canoe, we continue to celebrate more of those moments in Moose on the Loose. Join 26 travel and outdoor writers as they relate their wacky tales of misadventure. If there's one truth that can be pulled from this collection of stories, it's that while outlandish things can happen on the road less travelled, there's no such thing as a bad story!
