

## Millionaire Secrets

Most of us grew up with the same set of rules: go to school, get good grades, get a safe secure job, work hard, build up your 401k. Weve all been taught that this is the way to reach the American Dream. But millionaires follow a different set of rules. In fact, millionaires live in a world that most of us know nothing about. Millionaire Secrets to Money, Business, and Investing offers the lessons about money that James King, a very rich and successful business owner and investor, has learned from other millionaires . . . millionaires who shared with him their secrets to acquiring great wealth.
