

## Sherlock Holmes and the Servants of Hell

Sherlock Holmes faces his greatest challenge yet when he meets the Cenobites, the infamous servants of hell. Late 1895, and Sherlock Holmes and his faithful companion Dr John Watson are called upon to investigate a missing persons case. On the face of it, this seems like a mystery that Holmes might relish as the person in question vanished from a locked room and something to occupy him other than testing the limits of his mind and body. But this is just the start of an investigation that will draw the pair into contact with a shadowy organisation talked about in whispers and known only as The Order of the Gash. As more and more people go missing in a similar fashion, the clues point to a sinister asylum in France and to the underworld of London. However, it is an altogether different underworld that Holmes will soon discover as he finds himself face to face not only with those followers who do the Orders bidding on Earth, but those who serve it in Hell: the Cenobites...
