

Baladin

Meet Baladin. She is beautiful and elegant, proud and jealous. For Geoff Shelton it was love at first sight and he leaves his wife most weekends to spend time with her. Baladin is a fin keel 21 ft Corribee and she is the boat of his dreams. As they get to know each other, travelling around the coastline and waterways of the South East of England, their loving but turbulent relationship develops. Through heavy weather, abortive trips, hurricanes, accidents, incidents, races, navigational mishaps and mechanical malfunctions, Baladin shows herself to be always the one in charge. She has a mind of her own and a voice of her own which she often uses to tell her side of the story of her life on the water with the man she ironically calls Master.
