

The Heart of Betrayal: The Remnant Chronicles: Book Two

Held captive in the barbarian kingdom of Venda, Lia and Rafe have little chance of escape. Desperate to save her life, Lia's erstwhile assassin, Kaden, has told the Vendan Komizar that she has the gift, and the Komizars interest in Lia is greater than anyone could have foreseen. In this hotly anticipated, New York Times bestselling sequel to *The Kiss of Deception*, nothing is straightforward: there's Rafe, who lied to Lia, but has sacrificed his freedom to protect her; Kaden, who meant to assassinate her but has now saved her life; and the Vendans, whom Lia always believed to be barbarians. Now that she lives amongst them, however, she realizes that may be far from the truth. Wrestling with her upbringing, her gift, and her sense of self, Lia must make powerful choices that will affect her country... and her own destiny. *The Heart of Betrayal* by Mary E. Pearson drives up the stakes and the romance, and will leave readers desperate to read the next book.
