

L'Art d'enseigner (IX.HORS COLLECT) (French Edition)

Le livre que tous les professeurs et les parents de élèves en secondaire doivent absolument lire ! En tant que professeur, je me souviens des questions qui me hantaient les jours précédant ma première rentrée des classes : Serais-je à la hauteur ? Les élèves seraient-ils intéressés par mon cours ? Essaieraient-ils de me destabiliser ? Parviendrais-je à les maîtriser ? Préoccupés par la rencontre avec les élèves, soucieux de garantir de bonnes conditions d'apprentissage, ces questions, tous les enseignants se les posent à chaque rentrée ! On a longtemps cru qu'il suffisait au professeur d'exceller dans sa discipline pour savoir enseigner ! On sait maintenant qu'une bonne gestion de la classe et une collaboration fructueuse du professeur avec l'équipe enseignante et les parents permettent d'accompagner des élèves aux profils et aux niveaux très divers, et d'intéresser chacun d'eux. > Doit-on faire un plan de classe ? > Faut-il donner des devoirs à la maison ? > Comment asseoir son autorité ? > Comment lutter contre le harcèlement scolaire ? À l'aide de témoignages de professeurs expérimentés, de travaux de spécialistes, mais aussi de paroles de parents d'élèves, Nathalie Anton réunit et analyse ici toutes les conditions favorables à l'enseignement. Un ouvrage essentiel pour toutes celles et ceux qui ont la volonté et la responsabilité de conduire nos enfants, collégiens et lycéens, vers la réussite ! À propos de l'auteur : Agréée de lettres modernes, Nathalie Anton est enseignante depuis treize ans. Elle a travaillé en collège et lycée et a intégré durant trois ans une équipe chargée de prévenir et de lutter contre la violence en milieu scolaire. Elle est également psychologue clinicienne.
