

For Sale By Owner: The Serious Home Sellers Guide

Originally designed for the homeowner in serious financial trouble, this comprehensive home sale guide will help you sell your home while keeping most or all of the badly needed commission for yourself. Designed and written by an active real estate agent, you will learn what the great agents already know about successfully selling homes in any market; good, bad or otherwise. Well written with plenty of full color photos, this guide will take you step-by-step through the real estate transaction, from preparing your home for sale to the closing. Like anything else in life; once you learn the way to go, the journey is not that difficult or scary.

Even if you are considering using the services of a real estate agent to help you sell your home, this guide can be invaluable to your success. You can use this resource as a tool to guide your interview process with the three agents you will be speaking with, before you hire one of them. If they are not offering these services to you as part of their business plan to market your home, keep looking.

The information in this guide can help you make thousands of dollars more when you sell, help you to sell your home faster, and show you how to keep most or all of the commission for yourself. Dont delay; order now! This could easily be the best purchase you have ever made for you and your family.
