

The New International Lesson Annual 2014-2015: September 2014 - August 2015

Years of reader evaluations yield a record of overwhelming positive teaching results. Teachers agree that The New International Lesson Annual gets highest marks for helping Christian educators in the classroom, making Scripture understood, relating Scripture to contemporary living, and challenging students to respond with positive actions. Based on the Bible study foundations of Americas leading ecumenical Bible educators and editors in the venerable Committee on Uniform Series. Lessons for a full year include analysis by leading scholars, four quarterly Bible background articles, a Teacher Helps article, and helps put faith into action. The annual uses NRSV and CEB text.
