

Trainers Jump Statistics 2003-2004: Winning Horses, Courses, Jockeys, Racetypes and Distances

The in-depth annual statistical analysis of all winning British and Irish National Hunt trainers, showing how their horses fared in the 2003-2004 season in different race types, distances and courses. The book features a month-by-month breakdown of each stables performance, plus complete jockey records and individual records for every winning horse. All records include analysis by percentage strike-rate and betting profit-and-loss. This book is a powerful tool with which punters can analyse a trainers strengths and weaknesses, and the hidden characteristics of a trainers methods. Essential reading for every race-goer.
