

Round the Seasons on a Grouse Moor - With Additional Chapters on Grouse Disease and Vermin and Grouse Shooting

Originally published in 1925, London. An important early book on grouse shooting and moor management including Chapters on grouse disease, vermin control etc. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Read Country Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
