

The Child With Autism Learns the Faith: Bible Lessons from the Garden of Eden to the Parting of the Red Sea

From the back cover of this 108 page book: With a little patience and a lot of prayer, you can easily implement this ready-to-go lesson plan for teaching the faith to children with autism in your community. Endorsed by religious leaders, this book offers plenty of how-to information for parents and teachers. A list of materials and resources are included. And classroom setup guidance is provided. Parents will also find scriptural inspiration for preparation and conducting classes. Challenge-based questions are offered to adults for meditation. 15 Bible Lessons - from Creation to Passover are included. Setup, scripted narratives, prayer, instruction, and activities are provided to enable anyone to share the faith with children with autism.
